HEALTH AND HEALTH TO MOTHER AND CHILD.

Dr. Pierce's Baby's Own Tablets has been used by thousands of mothers for the relief of their children. While the tablets are gentle and safe, they are also powerful. They cure the common ailments of children, such as colic, worms, and indigestion. They are also a valuable remedy for mothers, as they help to keep the system in good health and prevent the occurrence of many of the ailments to which women are so liable.

Her Life a Burden.

Ratcliff, Tex.—In a letter from Ratcliff, Mrs. Mattie Campbell says, "My health was very bad. I suffered untold misery every month, and at times I wished for death to end my suffering, for life was a burden to me. I tried Cardui and it helped me right away. Cardui has stopped my suffering, made life worth living and filled my home with joy and happiness." If you suffer as Mrs. Campbell did, Cardui will certainly help you, as it did her. Why not try it?

House of Jones.

Jones painted his house last year. It looks dead, no life to it. Smith painted his house 10 years ago.

It looks clean, nice and don't need repainting, because he used L. & M. Paint and added three quarts of Oil to each gallon.

The Oil gave life and preserved it. Besides—adding the Oil reduced its cost 40 cents a gallon less than other paint.

Thirty-five years use in N. A. & S. A.

Death of Mrs. Jones.

Mrs. Milly E. Jones died here at the home of her daughter, Mrs. E. A. Folgerman, yesterday evening after a chronic illness. She had been a great sufferer. The funeral will be conducted from the M. E. Church this afternoon at 5 o'clock, and the interment will be in Linwood Cemetery. Mrs. Jones was past 70 years of age and is survived by one daughter, Mrs. A. E. Folgerman, and one son, Rev. Chas. A. Jones, of Belhaven, who were present at her bedside when she died. We extend sympathy to the bereaved.—Graham Gleaner, 11th.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases. It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

A Surprise Marriage.

Much interest was felt by the many friends of Mr. Calvin Dickens and Miss Lydia Hathaway, Sunday morning when it was rumored that they had boarded the 10:01 train for Halifax to be married. For once rumor was right, and the young couple procured license and were married at three o'clock Sunday afternoon in the Hotel with only a few witnesses present.

The bride is a charming young lady and came here some time ago from Pitt county. The groom is a clever and prosperous young man of sterling qualities and their friends wish them a prosperous voyage over the matrimonial sea.

The building committee for the Scotland Neck Graded School composed of Messrs. J. A. Kitchen, chairman, Wilson Allsbrook, Stuart Smith, E. T. Whitehead, C. L. McDowell and Jas. L. Josey met Monday afternoon for the purpose of opening bids and letting the contract for the new building. The committee had previously accepted the plans and specifications of John C. Stout, architect, of Rocky Mount. The sealed bids as opened were as follows:

For Construction.—D. J. Rose, Rocky Mount, \$20,800.00; W. C. Miller, Washington, N. C., \$18,444.36; J. J. Stroud, Williamston, \$17,368.54.

Contract for construction goes to J. J. Stroud, he being the lowest bidder.

All bids for heating and plumbing are rejected. New bids will be reconsidered on May 25th.

The contract calls for the completion of the building by September 15th. Mr. Stroud informed the committee that he would begin work at once.

If we can judge any thing by the drawings the building is going to be a very pretty one. We hope to have a picture of the building in the near future.

MEMORIAL DAY EXERCISES.

Mr. R. C. Dunn The Speaker—A Nice Dinner Served by The Daughters.

Wednesday, May the 10th 1911, will be a day long remembered by the people of Scotland Neck. It was Memorial day. Promptly at 10:30 o'clock members of the Buck Kitchen Camp, Confederate Veterans, with other citizens proceeded to the cemetery where the graves of Confederate soldiers were decorated with beautiful flowers. While gathered around the graves Rev. O. L. Powers offered a very earnest prayer.

Upon their return to town everybody went to the opera house where the exercises were to be continued. As commander of the Buck Kitchen Camp, Mr. W. F. Butterworth occupied a seat on the stage, also Mrs. A. McDowell and Mrs. H. I. Clark, president and first vice-president of the U. D. C. Prayer was offered by Elder W. F. Staten after which Mr. Stuart Smith, in a few well chosen remarks introduced the speaker of the occasion, Mr. R. C. Dunn, of Enfield. Mr. Dunn is a Scotland Neck boy, and in his opening remarks he expressed his deep gratification in having the privilege to stand before an audience composed of his home people.

We have heard many compliments and words of praise for the address. It is spoken of as a most magnificent and great speech. After a vote of thanks extended to Mr. Dunn, Rev. O. L. Powers made a motion that the address be published in full in The Commonwealth and it was so ordered. We hope Mr. Dunn will furnish us with a copy of the address that we may begin its publication next week.

The speaking being over the old soldiers and a few friends were invited to Madry's new store where the Daughters had prepared a nice dinner in abundance.

During the exercises at the opera house all the stores and business places of the town were closed as a mark of respect for the old soldiers. There were several visiting veterans present to hear the speaking and to enjoy the dinner.

MUSHROOM CORNS

Most Painful of All Foot Ailments. How to Cure Them.

The Mushroom corn is so called from its pitted cone top, resembling a tiny mushroom. It burrows deep into the toe and gets more inflamed than other corns. For the quick relief and cure of these and all corns and callouses the following is the most effective remedy known to science.

Disolve 2 tablespoonfuls of Calocide compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) All soreness instantly disappears and the corn or callous can be easily peeled off. It may be necessary to repeat this for a number of nights for a complete cure, but if adhered to it will surely succeed.

A little olive oil rubbed on the part is very beneficial. This Calocide is a very remarkable preparation for all foot ailments and is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually sufficient to put the worst foot in fine condition. Bad smelling feet and tender feet need only a few treatments, likewise with inflamed bunions. This item will be welcomed by persons who have tried ineffectual powders and tablets.
